We are here to help you! Electronics can be very harmful to the environment if they end up in a landfill particularly because of the metals used to make them. These metals can seep into our water supply and taint that water for generations to come. Electronics recycling is available for all City of Marion residents, free of charge.

When: March 28, 2015

Where: 211 E. Boulevard Marion, IL 62959

Time: 9 am – 12 pm

Fee: Free
